

La Joya I.S.D. offers virtual classes for 8th-12th grade students in all academic content areas as well as elective courses to help student meet their graduation requirements. Students may take up to two virtual classes per semester.

The student is responsible for one half of the course fee. The fee for students will vary from \$125-\$200 based on the course and time of enrollment. Students need to visit with their counselor to verify the course fee.

Students may be enrolled after steps 1 through 4 are completed.

All registration steps must be completed.

Student Enrollment Priorities

Please review the following information before enrolling students in TxVSN courses. Students must meet these criteria:

- Students currently in grades 8-12 are eligible to enroll in TxVSN courses.
- Student must be enrolled in a Texas School District or Open-Enrollment Charter School serving grades 8-12. Eighth grade students may be eligible to take virtual classes for acceleration. Please visit with your counselor for more details.
- Student must be physically present on campus to generate either part time or full time ADA.
- Student must be enrolled in a TxVSN course that satisfies a curriculum requirement for graduation adopted under Section 28.025.
- Students enrolled in Dual Credit courses must meet The Higher Education Coordinating Board's (THECB) enrollment priorities. [Please click here for THECB's FAQ page.](#)

Additional Considerations:

- Students must have regular access to an Internet-connected multimedia computer
- Students should have readiness skills to be a successful online learner. TxVSN courses are very rigorous and in many cases accelerated.
- Each college or university that offers dual credit courses through TxVSN will have an additional registration process to complete for each student. Please refer to the information page of the college or university offering the course for more information.
- Students may take a TxVSN course as part of normal course load as well as outside normal course load.

Please visit with your counselor should you need more information.
