**E.R.O Registration Opens  
Effective May 1<sup>st</sup>, 2011**

**Overview of La Joya ISD Staff Development Plan**

1. The District Plan will address the needs identified by the Districtwide Educational Improvement Council (DEIC). The campus plans will address the needs identified at the campus level.
2. There will be a District online staff development catalog for 2011-2012, through [www.lajoyaisd.com](http://www.lajoyaisd.com) which provides information about the Staff Development Plan such as Standard Certificate Requirements for Continuing Professional Education (CPE).
3. The Trainer of Trainers (TOT) model will be used for District needs as identified in the District Plan.
4. Conflict resolution will be provided through Crisis Prevention/Intervention training (CPI) and Responsibility Education.
5. Training in discipline strategies including classroom management, district discipline policies, and student code of conduct will be conducted at the campus level.
6. The technology training will include the Intel Teach for the Future program and the Technology Integration Strategist who will provide and facilitate staff development activities for technology.

## **Statement of Purpose**

La Joya ISD clearly recognizes that staff must have opportunities to grow professionally. The On-line Summer 2011 Staff Development Catalog contains information about staff development opportunities in the La Joya Independent School District. They have been designed in response to the needs assessment information received from respective campuses and / or departments. Hours obtained will be used for Professional Development and Appraisal System (PDAS) requirements, and certification requirements as applicable. La Joya ISD will continue to strive to attain its four main purposes:

- All students will successfully master the Texas Essential Knowledge and Skills (TEKS).
- All students will learn how to learn.
- All students will exit as self-directed learners.
- All students will develop and act in a way that reflects a positive sense of who they are - confident and capable individuals.

## **Documentation – Staff Responsibilities**

Through the La Joya ISD website [www.lajoyaisd.com](http://www.lajoyaisd.com), each teacher will be provided with a Staff Development Catalog containing an inservice record, titled Continuing Professional Education (CPE) Activities. This may be used for recording inservice training. Each teacher should maintain documentation of all inservice activities in order to fulfill PDAS credit. Teachers should keep certificates of completion and submit copies of those certificates to their campus inservice coordinators.

In addition, any Texas educator certificates obtained after September 1, 1999 will require renewal in accordance with the Standard Certificate Renewal and Continuing Professional Education (CPE) requirements included in this catalog. Each staff member who holds a standard certificate will be responsible for keeping documentation of CPE activities for certificate renewal.

## **Documentation - CPE Provider Responsibilities**

For every CPE activity completed, the provider should provide each educator with written documentation to include the provider's name, educator's name, content of the activity completed and number of clock hours. See the links at: ([www.sbec.state.tx.us](http://www.sbec.state.tx.us)) (<http://www.sbec.state.tx.us/SBECOnline/certinfo/regprov.asp>)

## **District Required Professional Development for Teachers**

To accomplish the achievement goals set for each student, effective instructional practices must be used by all teachers with every lesson taught. The following trainings will be conducted by the school principal at the beginning of each school year to insure that every student learns the knowledge and skills required in each grade.

1. Instructional Process, Lesson Design and Delivery
2. La Joya I.S.D. Classroom Practices
3. Language Arts/Reading Instructional Plan
4. Response to Intervention Process
5. The Students Code of Conduct

Teachers in the beginning years of their teaching experience require further training to deliver instruction that meets the diverse learning needs of all students. Therefore, within the first three years of teaching in the district every teacher will be required to attend these trainings.

1. Reading Academy Training
2. Teacher Expectations Student Achievement (TESA)
3. Responsibility Education
4. Cooperative Learning
5. English Language Proficiency Standards (ELPS)
6. Sheltered Instruction Observation Protocol (SIOP)
7. The Writing Process

\*\*\*\*NOTE:

**Principals, please have each teacher print their ERO staff development transcript and bring with them for your review during summative evaluations. This will assist you in monitoring which trainings each teacher needs to complete.**

## **Registration Procedures and Information**

All District registrations will be processed through the Electronic Registrar Online (ERO) on a first-come, first-serve basis. You may access ERO by going into [www.lajoyaisd.com](http://www.lajoyaisd.com) or <https://ero3eschoolsolutions.com>. Workshops are closed as their maximum enrollments are reached. You will find a copy of the registration forms in this catalog. To register for an approved Region One workshop, complete a Region One form and submit to the contact person.

- *Select a workshop from the ERO Course List that will enhance your ability to increase student achievement results.*
- *Register prior to attending workshop in order to reserve your place and receive proper credit.*
- *Call the contact person listed in the Catalog if you have any questions about a particular workshop.*
- *Once you attend a session please allow 5-7 days to go and complete the evaluation on the “My Evaluations Tab” on ERO.*
- *After completing evaluation go to “My Transcript” to print your certificate.*

## **Drops & No Shows**

If you are unable to attend a workshop for which you have registered, you must request to be dropped from the workshop through ERO. This will enable those on a waiting list to register.

# Professional Development and Appraisal System

## Professional Growth Activities Guidelines

### *For Credit:*

- All professional growth activities must pertain to the following dimensions:
  - Alignment with the goals of the campus and of the district;
  - Correlation to assigned subject content and varied needs of students;
  - Improvement of student performance;
  - Correlation to prior performance appraisal;
  - College courses for which the district does not provide reimbursement;
  - College courses related to the educational field.
- Sessions should be scheduled after school hours or Saturdays.
- Certificates are not needed for every session; however, verification of attendance by the campus administrator will be required for credit.

### **The following will not be allowed for credit:**

- Faculty meetings
- School programs
- Parent/PTO meetings
- UIL events
- District staff development (waiver) days
- Campus council meetings
- District (DEIC) council meetings
- Staff development for which payment is received

**Every teacher should keep record of all PDAS professional growth activities on this form and submit it to their appraiser as part of the appraisal process.**

*(Principal's approval is required prior to attending the session.)*

More information about certification can be found at the SBEC website ([www.sbec.state.tx.us](http://www.sbec.state.tx.us))

# La Joya Independent School District

## Acknowledgement of On Line Staff Development Catalog Summer 2011

I have been informed by my campus administration of the District's On-line Staff Development Catalog on [www.lajoyaisd.com](http://www.lajoyaisd.com).

I understand that this catalog contains important information about staff development including certificate renewal for those certificates obtained after September 1, 1999. **I understand that I must register on ERO prior to attending any sessions.**

**Language Arts (LA20000)**

<b>Course #</b>	LA20243	English III End-of-Course Success Workshop #33959 (Please register through ERO & Region 1)
<b>Description</b>	In this two-day session, participants will explore instructional strategies focused on preparing students for success in high school English courses. The session will specifically address English III, but will also include a brief overview of the structure of the STAAR English I, II, and III End-of-Course assessments that emphasize the relationships among standards, instruction, and assessment. Participants will practice reading strategies designed to deepen understanding of text and learn strategies for crafting written responses. This session will also include access to online resources and tools for teaching using Project Share, the statewide online interactive platform.

<b>Course #</b>	STAF30105	"Motivation: using the right key to open the right doors!"
<b>Description</b>	Sometimes student motivation seems like a mystery to teachers. How can we interest kids in academic lessons? How can we keep them engaged? How can we help them translate what they have learned into meaningful thought or action in their lives? Nothing about motivation follows a predictable formula, but we can explore innovative instructional strategies, effective classroom management techniques, and differentiated modalities to spark student curiosity. Leave the Land of Boredom. It's time to bring laughter back into the classroom. If you want to motivate students, learning should be fun.

# Quality Staff Development is based on the belief that: "Improvement is always Unfinished"

La Joya I.S.D. recognizes the importance of staff development and its direct positive impact on student achievement and on the quality of the delivery of instruction. By providing our staff members with opportunities to grow professionally as they select from a plethora of staff development sessions that are applicable to their areas of service within their various roles, educators will benefit as they acquire and enhance their knowledge, skills, attitudes, and beliefs necessary to create high levels of learning for all students.

Special Thanks to:

Ms. Cynthia Solis, Staff Development Coordinator

Mrs. Eunice Garza, Staff Development Secretary
