Discretionary Leave Request**

State Personal Leave days may be used for scheduled leave taken at the employee's discretion (discretionary leave). A five day prior notice should be given to the principal or supervisor unless there are extenuating circumstances. Discretionary leave will be considered approved by the supervisor if notice to the contrary is not given to the employee within 48 hours of the supervisor's receipt of request.

Discretionary Leave may not be taken for more than two consecutive days without approval by the superintendent and may not be taken on the day before or after a school holiday, days scheduled for end of semester, end of year, or TAAS tests; or scheduled staff development days.
