

## Summer Workshop Logo Contest

Region One ESC Child Nutrition Advisory Committee is accepting submissions for our Summer Training Opportunities 2008 logo. K-12 students from Region One ESC school districts are encouraged to submit entries. This year's theme is "Nutrition on the Go!"

A student wishing to submit a logo must submit the logo as an attachment by email to their **Child Nutrition Director or Technology Coordinator** who will then forward all their district submissions to Region One ESC by the **NEW EXTENDED DEADLINE Friday, February 22, 2008.**

The Advisory Committee will select a logo from the submissions received, and the creator of the logo will be notified.

The winning logo will become the property of Region One Education Service Center and will be used on all conference materials - website, registration booklet, program, shirts, tote bags, posters, etc.

***The creators of the selected logos will receive credit for the logos and a prize.***
